

ESL-48

The ESL-48 is the 48" wide by 32" deep lectern offered in our Essential Line of presentation furniture. Standard features include a lower section 11 space rack mount, CPU space, locking hinged pocket doors, and recessed swivel casters. Above is a side pull out drawer for a visual presenter and a locking keyboard/mouse drawer. The standard work surface is flat; however, a 90 single slope work surface or two step work surface may be ordered. An electrical inlet, ventilation fan, removable front access panel and internal cable passes finish the piece. Shown in standard red oak.

You may select additional work surface options to suit your requirements
