

KSI's large lectern workstations are the ideal choice for intense instructional environments. Large amounts of equipment are easily organized creating stress free use. Choose your lectern workstation from those shown, or we can configure one just for you.

#### Lectern Console 1A

The large "L-shaped" flat work surface provides plenty of room for instructional environments. Features include dual rack mount sections, adjustable shelves, storage drawers, space for two CPU towers, two keyboard pull out shelves, and a visual presenter space. The finish is plain sliced red oak with a clear lacquer.

#### Lectern Console 2

Statesman style lectern console finished in natural cherry with two rack sections, two adjustable shelf sections and two storage drawers. Overall dimensions are 128" long by 30" deep.

# KSI Lectern Consoles

## 96 Desk A

This 96" Presentation Desk features dual equipment racks, a lower storage shelf for the portable table top lectern, full recessed swivel casters and a keyboard/mouse drawer. The finish is plain sliced red oak with our clear moisture and alcohol resistant coating. The desk top is black laminate.

## Lectern Console 3

Beautiful white oak veneers look great on this custom lectern console. Contains a CRT monitor cutout, two keyboard shelves, two rack areas, glass door, side pull out for visual presenter, front access doors and a removable table top lectern. Overall dimensions are 72" wide x 30" deep x 45" high.
