ESL-48 MULTIMEDIA LECTERN

Our ESL-48 Multimedia Lectern is the largest lectern in our Essential line. The 48" size allows plenty of room for equipment in both the lower section and the work surface. As with our ESL-32 and ESL-40 Multimedia lecterns, the ESL-48 ships within 30 days.

To order the KSI ESL-48 Multimedia lectern select a finish as shown on page 26, specify a presenters right or left pull out side drawer (right pull out is standard), and specify the work surface and cutout options. All you have to do now is clear a space for your new KSI ESL-48 Multimedia Lectern.
