

KSI Essential Line Multi-Media Lectern

KSI'S SOLUTIONS FOR TIME SENSITIVE PROJECTS

ESL-32 MULTIMEDIA LECTERN

Our ESL-32 Multimedia Lectern is a perfect choice for instructional environments. The 32" size has the smallest footprint in our Essential Line and will fit even the tightest spaces. By including our most popular integration features, we are able to offer shipment within 30 days, a BIG plus for all of those time sensitive projects.

To order the KSI ESL-32 Multimedia lectern select a finish as shown on page 26, specify a presenters right or left pull out side drawer (right pull out is standard), and specify the work surface and cutout options. All you have to do now is clear a space for your new KSI ESL-32 Multimedia Lectern.

- cutout for touch screen or interface device (specify device)
- adjustable rack shelf - quantity: 1, 2, 3

KSI *Essential Line Multi-Media Lectern*

KSI'S SOLUTIONS FOR TIME SENSITIVE PROJECTS

Our ESL-40 Multimedia Lectern has all the same features as the ESL-32, but the 40" size allows for more work surface space and the addition of pocket doors in the lower section. With all of our popular integration features included, we are able to offer shipment within 30 days, allowing completion of your installation in a timely manner.

To order the KSI ESL-40 Multimedia lectern select a finish as shown on page 26, specify a presenters right or left pull out side drawer (right pull out is standard), and specify the work surface and cutout options. All you have to do now is clear a space for your new KSI ESL-40 Multimedia Lectern.

KSI's ESL Presentation Desks are the ideal choice for the intense classroom environment. The ESL-PD60 features a 14 space equipment rack, a keyboard pull out shelf, and a large 60" by 30" work surface. The ESL-PD72 features a CPU section and a larger 72" by 30" work surface. Both Presentation Desks include cable management, front and rear locking doors, a ventilation fan, and internal electrical strips. These also feature our 30 day shipment. Any of our standard finishes as shown on page 26 are available.

KSI *Essential Line Equipment Racks*

KSI'S SOLUTIONS FOR TIME SENSITIVE PROJECTS

STANDARD FEATURES

- front and back locking doors
- back door is vented
- 6-40 rack spaces
- cable pass throughs
- recessed swivel casters

STANDARD FINISH

A-1 grade plain sliced red oak with clear KSI finish

OPTIONS

- Any KSI Standard Finish on page 26
- ventilation fan on the rear door
- inset plexiglass front door

Our ESL Equipment Racks are designed for housing small or large amounts of electronic equipment. Sizes from 6 to 40 spaces are offered and front and rear locking doors and recessed casters are standard. We recommend that heavy equipment be placed at the bottom of the rack to avoid tipping over. Thirty day shipment and our standard finishes as shown on page 26 are available.

KSI Essential Line Presenter's Carts

KSI'S SOLUTIONS FOR TIME SENSITIVE PROJECTS
