

KSI Corporate Identity and Logos

KSI offers a full line of logos to complement your presentation furniture. Laser engraving and CNC routing and machining may be done in wood, metal and plastic. We also offer digital printed plexiglass in any color. KSI has the ability to redraw your logo for a perfect look. If your logo is old and worn out, call us and we will make it look like new.

Joint Chiefs of Staff

Laser engraved.

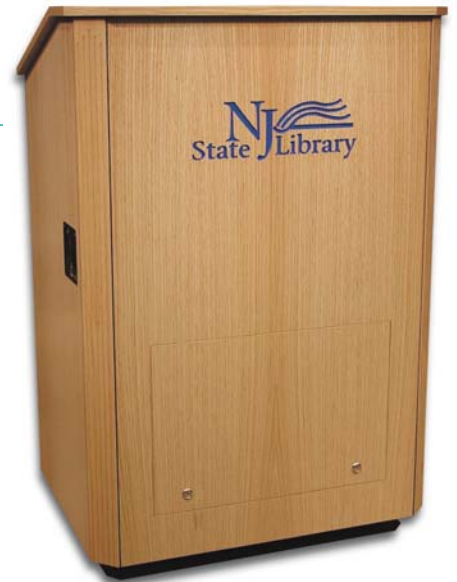

Bay Path College

CNC routed from solid maple.

NJ State Library

CNC routed directly into front of lectern. Logo filled with blue polane.

Burlington Northern Santa Fe Railway
