

KSI Conference Tables & Presentation Boards

KSI Conference Tables

fully complement your board room with a large array of shapes and sizes. Sizes from 48" to over 20' are sure to fill any room. Choose from our designs or yours to enhance any interior decor.

Beautiful 20' mahogany conference table. Installation by Ritz AV at the Seventh Day Adventist Headquarters.

This table is an 84" oval shape with rectilinear legs and a center beam. The squared edge treatment provides a clean and sleek appearance. Veneers are booked matched and sequenced on the table top. The finish is our plain sliced red oak with a clear moisture and alcohol resistant coating.

Beautiful walnut veneers and solids are sure to harmonize with your environment. This wedge shaped table features a solid center base with removable access panels. Cutouts in the table surface may be customized to your needs.

All KSI Premier Line lecterns and Presentation Systems Furniture may be modified to suit your requirements.
