- or
- two step work surface (rear sloped portion for monitor & touch panels. Forward section is flat)
- cutout for a panel mount LCD monitor (proper fit is not guaranteed unless the monitor is shipped to KSI for mounting)
- CRT monitor mount up to 17" monitor w/o base (proper fit is not guaranteed unless the monitor is shipped to KSI for mounting)
- cutout for touch screen or interface device (specify device)
- adjustable rack shelf - quantity: 1, 2, 3
- See pgs 26-27 for work surface options

Our ESL-48 Multimedia Lectern is the largest lectern in our Essential line. The 48" size allows plenty of room for equipment in both the lower section and the work surface. As with our ESL-32 and ESL-40 Multimedia lecterns, the ESL-48 ships within 30 days.

To order the KSI ESL-48 Multimedia lectern, specify a presenter's right or left pull out side drawer (right pull out is standard), specify work surface and cutout options and select red oak or maple with KSI clear natural finish. Optional finishes are available from our selection of Premier finishes (shown on page 24). Charges will apply to optional items/finishes that are selected.
