All KSI Premier Line products are made to order. We will notify you of the estimated shipment time once your order is placed. We will produce your order in a timely and expeditious manner. Since product quality is our highest concern, KSI will never sacrifice our legendary quality in exchange for faster delivery. Material availability, plant load at time of order, and order size may affect final shipping dates.

Anyone who has experienced KSI Premier Line Products has a universal opinion — They look great! The reason is simple. KSI Premier Line Products are manufactured to such a high standard that you'll have to look long and hard to find anything comparable. The look of any KSI Premier Line product is as singular as its function. Each piece starts by hand selecting only the finest premium grade veneers and solids. Hand selecting assures you that only the choicest specimens are utilized for the highly visible exteriors. The natural character of the wood grain is visually balanced with all design aspects, thereby creating KSI's distinctive expression of design. After careful selection, only skilled craftsmen will create each piece to your exact requirements. And with attention to detail in every step, it's no wonder that our finishes are so smooth and lustrous.

Once you stand behind any KSI Premier Line product you gain complete command and authority over the room; they will enhance you, the lecturer, with the image you intend to portray. Combining all of these elements with rock solid construction, timeless designs that work, and the knowledge that comes with 25 years experience, we're sure that KSI will be the last stop you make for your presentation furniture needs.
