

# KSI Lectern Consoles

KSI's large lectern workstations are the ideal choice for intense instructional environments. Large amounts of equipment are easily organized creating stress free use. Choose your lectern workstation from those shown, or we can configure one just for you.

## Lectern Console 1A

The large "L-shaped" flat work surface provides plenty of room for instructional environments. Features include dual rack mount sections, adjustable shelves, storage drawers, space for two CPU towers, two keyboard pull out shelves, and a visual presenter space. Shown plain sliced red oak with KSI clear natural finish.

## Lectern Console 2

Statesman style lectern console finished in natural cherry with two rack sections, two adjustable shelf sections and two storage drawers. Overall dimensions are 128" long by 30" deep.

### Lectern Console 6

This L-100-76/32 Statesman Lectern gets the job done in a big way. Features include two lower rack sections, a center adjustable shelf section, an upper left adjustable shelf section, two keyboard/mouse drawers, a side pull out drawer for a visual presenter, pocket doors, recessed swivel casters, removable front access panels and a centered split work surface.

A large amount of storage and work surface space keeps everything organized. The finish shown is natural mahogany.

All KSI Premier Line lecterns and Presentation Systems Furniture may be modified to suit your requirements.

## 96 Desk A

This 96" Presentation Desk features dual equipment racks, a lower storage shelf for the portable table top lectern, full recessed swivel casters and a keyboard/mouse drawer. Shown in plain sliced red oak with KSI clear natural finish. The desk top is black laminate.

## Lectern Console 4

This 78" modified Statesman lectern contains a left hand pullout side drawer, two keyboard shelves, a storage drawer, three 13 space rack sections, and front access doors. Swivel casters, a ventilation fan and a large flat work surface make this an ideal lectern for educational environments. The finish is medium cherry.
