

KSI Presentation Desks

PR Desk 4

This stand-up desk features a pullout keyboard shelf, 20 rack spaces with a rear door, front access door, ventilation fan and a large flat work surface. The finish is medium cherry.

60 Desk C

KSI's 60" Presentation Desk is shown finished in dark mahogany with detail molding. Features include a 14 space rack with a ventilation fan, a 15" CRT monitor cradle, a keyboard pullout shelf, cable management and a rear locking door.

All KSI Premier Line lecterns and Presentation Systems Furniture may be modified to suit your requirements.

KSI Presentation Desks

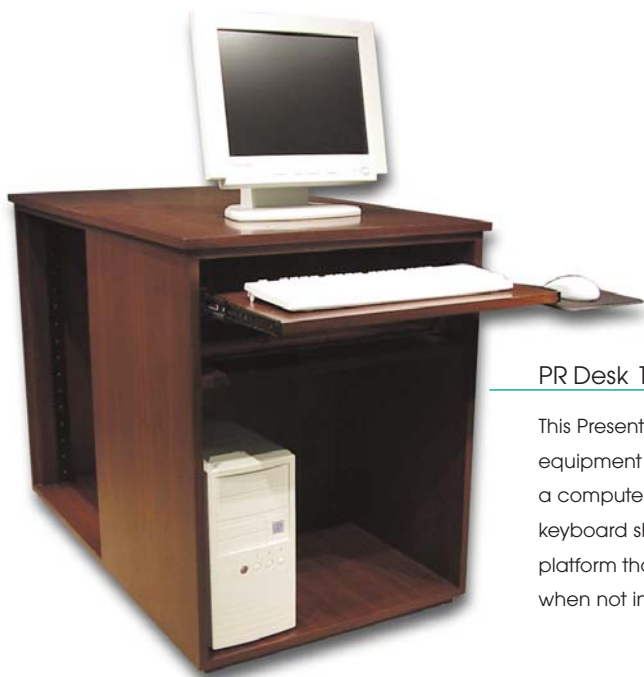

60 WKSTAT B

Expertly finished in dark mahogany, this 60" desk has it all. Features include front access doors, ventilation fan, two rear rack mount areas, a central storage area, keyboard drawer, a visual presenter drawer, and a well for up to a 17" LCD monitor.

PR Desk 3

Take our 25" Statesman lectern, add a side desk, numerous panel cutouts and a lower storage area, and this one is ready for intense training. Shown in select white maple with KSI clear natural finish.

PR Desk 1

This Presentation Desk features an equipment rack on the left side and a computer area on the right. The keyboard shelf has a swivel mouse platform that folds out of the way when not in use. Finished in walnut.

PR Desk 5

Shown in plain sliced white maple, this Presentation Desk features a three step work surface for a 17" LCD monitor, a 15" LCD monitor and a 10" touch panel. Other features include a side pullout drawer, a keyboard drawer and a lower storage section.

96 Desk C

This 96" desk features adjustable shelves, rack mount area, a pull out keyboard shelf, and two adjustable LCD monitor mounts. Shown in plain sliced red oak with KSI clear natural finish.

ADA Desk 4

This 48" desk is easily accessible with a wheelchair, and is fully mobile with the 3.5" swivel casters. Finished in plain sliced cherry with a light cherry finish. (This desk as shown is not height adjustable.)
