

# KSI Premier Line Lecterns

## Aluminum 1

Smooth brushed aluminum with a black matrix laminate interior makes this 25" lectern shine. Featuring a 14 space rack mount, a full removable front, a ventilation fan, and a keyboard pull out shelf, KSI's skill in cabinetmaking is obvious.

## Delegate 12

Take our 32" Delegate Lectern, add a top rail of custom molding, and this lectern takes on a truly impressive look. An LCD monitor well, keyboard pull out shelf, a side pull out drawer for your visual presenter, a CPU space, a rack mount with ventilation and a removable front keeps your equipment in check. Bi-fold doors lock for security and recessed casters make it easy to move. The finish is natural cherry.

## Statesman 12

The L-100-32/30-EL Statesman Lectern with electric height adjustment is beautifully finished in plain sliced cherry with white maple and black walnut inlays. This fine lectern also features an LCD monitor well, two step work surface and a side pull out drawer.

## Birdseye

A custom L-100-32 Statesman Lectern comes alive with birds-eye and plain sliced maple veneers. A deep reveal accents the change in grain direction from vertical to horizontal above the reveal. Solid maple nosing around the top gives this lectern a smooth look. The rear is complete with a keyboard pull out shelf, adjustable shelves, a CPU space and rear hinged doors.

All KSI Premier Line lecterns and Presentation Systems Furniture may be modified to suit your requirements.

## Delegate 17

Our L-500-32/32 looks great finished in plain sliced select white maple. Adjustable shelves, a pull out side drawer, keyboard shelf and an LCD well allow for easy installation of your equipment.

## The Presidential Lectern

Shown in dark cherry, this lectern epitomizes KSI's skill in cabinet making. Tapered sides with fluted corners, dentil and detail molding and a lustrously smooth finish will please even the most discerning presenter. Other features include a side pullout drawer, a keyboard drawer, adjustable shelves in the lower section, and a three step work surface.

### Delegate 18

Our Delegate lectern is easily modified to suit specific user requirements. A cantilevered top allows the use of a stool to rest your feet. Shown in plain sliced red oak with KSI clear natural finish.

### Congressional 6

This is another popular configuration for our L-200-32/32 Congressional Lectern. This piece features a touch screen cutout on the worksurface, adjustable shelves, a pull out side drawer and a keyboard/mouse shelf. The finish is plain sliced cherry with a light cherry finish.

## Delegate 10

An L-500-40/32 Delegate Lectern with the addition of a reveal looks great. Horizontal grain above the reveal adds interest and distinction. Features include a removable front panel, fan, pocket doors, sliding CPU shelf, storage drawers, and an LCD monitor well with a touch screen cutout. KSI's popular clear natural red oak is the finish.

## Congressional 10

Shown in rift sawn natural cherry, this 32" Congressional Lectern is sure to please everyone. Features include the side pullout drawer, adjustable shelves, pocket doors, pullout keyboard shelf, a two step work surface, and recessed swivel casters.

### Delegate 16

This custom 40" Delegate Lectern features inset revealed panels, horizontal upper grain, a side pullout drawer, pocket doors, a pullout keyboard shelf, swivel casters, and an LCD monitor well. The finish is clear natural cherry.

### Delegate 14

The L-500-48/32 Delegate lectern takes on a contemporary appearance when finished in copper tone laminate. Features include an LCD monitor well in the work surface, a keyboard drawer, storage and pull out side drawer, and in the lower section, pocket doors, adjustable shelves, rack mounting and swivel casters.

## Statesman 22

Our L-100-40/32 Statesman Lectern shines when finished in plain sliced mahogany with our dark mahogany finish. Lower adjustable shelves, CPU space, pocket doors, pull out side shelf with a flip down door, a CRT monitor mount and a large keyboard mouse drawer easily hold lots of equipment.

## Executive 8

The L-400-40/32 Executive Lectern in cherry with our burnt cherry finish is a smart choice for the corporate environment. Features include a side pull out shelf with a flip down door, an LCD monitor well and touch screen cutout, our notched keyboard drawer, a storage drawer, pull out CPU, rack space and pocket doors.

### Statesman 27

The L-100-48/32 Statesman Lectern is a great choice for universities. The lower section houses an 18 space and a 10 space rack, a keyboard shelf and a pull out drawer for a visual presenter. Pocket doors keep everything secure, and a removable front access panel makes equipment installation easy. A large CRT monitor mount and touch screen cutout complete the work surface.

### Statesman 28

This L-100-40/32 Statesman that is above all, secure. Everything locks including the work surface. This is the companion piece to Statesman 27 shown above.

## Statesman 16

The L-100-48/32 Statesman Lectern is shown in plain sliced red oak with KSI clear natural finish. Features include a removable front access panel, a side pull out drawer, ventilation fan, keyboard and storage drawer, a CPU space, adjustable shelves, rack mount, pocket doors and recessed swivel casters. The work surface houses an 18" LCD and a touch screen.

## Statesman 17

An L-100-48/32 Statesman Lectern can be modified to suit your personal requirements. This one has had the front lowered to 42" to allow more visibility. Features include a left hand side pull out drawer, a 15" CRT monitor mount, a locking keyboard drawer, and a lower section with a rack mount, a CPU space and rear locking doors. The front access panel makes wiring your equipment easy. The finish is KSI's plain sliced clear natural red oak.

### Statesman 30

This Statesman Lectern is 60" wide by 32" deep. The flat work surface has plenty of room for papers and portable electronic devices. A keyboard/mouse drawer, storage drawer, adjustable

shelves, and a lower storage area with locking pocket doors give you ample room. Recessed swivel casters make this large lectern easy to move. The finish is clear natural maple.

### Statesman 11

This Statesman Lectern is 60" wide by 34" deep. There's plenty of room for a 17" CRT monitor, a touch screen and a large visual presenter. A keyboard/mouse drawer, storage drawer and lower storage area with pocket doors provide a lot of storage. All this in KSI's rich mahogany.

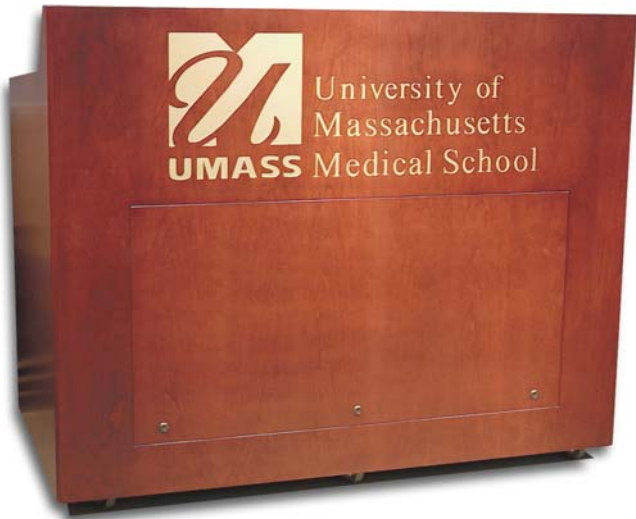

### Delegate 22

Our L-500-48/32 is a great choice for instructional environments. Lower adjustable shelves, a pull out shelf and rear hinged doors keep equipment in check and secure. A large pull out keyboard/mouse shelf, a pull out side drawer for a visual presenter and a large work surface makes this one easy to use. Shown in plain sliced red oak with KSI clear natural finish.

All KSI Premier Line lecterns and Presentation Systems Furniture may be modified to suit your requirements.

# KSI Premier Line Lecterns

## Delegate 21

An L-500-60/32 Delegate lectern is the obvious choice when lots of room is needed. The lower section houses a tall rack section, adjustable shelves and a large CPU space. A removable front panel makes equipment access a breeze. An LCD monitor well and a keyboard/mouse drawer complete the top. The logo is CNC routed, then filled with gold powder. Finish is plain sliced cherry with our dark cherry finish.

## Statesman 18

Our L-100-60/32 Statesman Lectern has plenty of room for large amounts of equipment particularly for an instructional environment. The work surface features dual 15" LCD monitor mounts, a 19" rack mount, a touch panel cutout and a flip down security

panel. The lower section includes two rack mount areas and a CPU/storage area. Rear locking doors and a locking front access panel keep all your equipment secure. A pull out side drawer is for your visual presenter. The finish is clear natural red oak.
