Furniture does not include electronic equipment shown.

Shipping times should be considered estimates. We will produce your order in a timely and expeditious manner. Since product quality is our highest concern, KSI will never sacrifice our legendary quality in exchange for faster delivery. Material availability, plant load at time of order, and order size may affect final shipping dates.

KSI's Essential Line of Lecterns & Presentation

Furniture offers you legendary KSI quality of finish

and appearance. Additionally, shipment is within

30 days, perfect for all of those time sensitive orders.

Every model in our Essential Line comes STANDARD

with our most popular features, allowing you to

quickly and efficiently install all of your equipment

in a minimum amount of time. To allow for the

quickest possible delivery, the only thing you have

to select is the work surface options and one of our

Essential Line standard finishes. Browse through the

following pages to make your selection for your next

installation. We're sure that you'll agree you can

have the best of all worlds, quick delivery, a quality

product and great pricing.

**The KSI Essential Line Consists of:**
